

What started off as a nice warm evening turned quite cold by the time the riders were due to start. Whilst there did not seem to any wind the cold cold made it tough going. The winner on actual time was Dave Watson with 22:11, 2nd Richard Howes 22:25 and 3rd Martin Swales 22:36. Afterwards everyone was pleased to finish and warm up with a cup of tea and piece of cake. Winner of the handicap section was Ben Hurford with a handicap time of 19:03.
