

What a beautiful night for our last of the season evening time trials; sunny and hardly any wind. It was good to see 22 riders take to the start time keeper.

First one home was Dave Watson who rode the time trial on an ordinary road bike for a change, but still managed a 14min 38sec, 2nd was Richard Howes in 14min57sec and 3rd Terry Meechan with a 15min14sec.

Best of the private rides was Kevin Jeffs with 15min47sec.

Two riders on their first time trial attempt were John McLaren who rode a mountain bike and managed a 18min 32sec and his wife who managed to do 19min 42sec.

Janet Marsden from Solihull C.C. did a 13min10sec time on the 5 mile circuit.
