

Here is the result of the K10/10 training 10 held on the 26/07/2007.

David Watson (21:49), Paul Moss (23:02), Terry Meechan (23:10), Richard Howes (23:19), were the first four riders on a sunny but very cool windy evening, fortunately at last we were able to have an event after several cancellations this year. We also had one of our better fields.
