

My Thanks go to the members who only turned up to watch but due to the low entries then decided to ride. Being on top of the hill put us in the position of being in the slight wind and made it a little cold. The riders however, looked quite warm when they finished!

Steve Falk won the event with a time of 1 min 45 sec, 2nd Lee Pannozzo 2 min 9 sec and 3rd Bob Cooper 2 min 18 sec. Winner in the private entries was Kevin Jeffs with 2 min 2 sec.
