

Headwind made the return leg back to finish hard for most. We must however learn to tell Dave Watson that you are suppose to slow up a little when the wind blows as he improved his time on last year by 47seconds.

The first 3 on actual time being 1st Dave Watson with 54:02, 2nd Richard Howes 57:44, 3rd Rob Cooper 1:00:22. Rob Cooper won the handicap with a time of 44:22.

Best of the private rides being Andrew Taylor 57:02.
