

With a westerly wind blowing this made it hard for the riders going from the off and also when they had to do the second lap they had it blowing into their faces making for a hard ride.

Dave Watson was 1st with 54min 40sec, 2nd Glen Tearle just outside the hour with 1hr 3sec, 3rd Peter Delves 1hr 2min 43sec.

1st of the riders doing one lap Terry Meechan.
