

What started out looking like a nice evening changed as soon as the riders had started. Light rain changing into heavy down pours with a slight wind blowing into the riders face going towards Rugby and turning very cold. Even so three extra riders decided to brave the conditions.

First on actual time was Dave Watson in 1hr 8min 27sec, 2nd Richard Howes 1hr 10min 59sec and 3rd Richard Chamberlain 1hr 13min 39sec.

First in the Handicap section was Glen Tearle with 1hr 4min 26sec, 2nd Richard Howes 1hr 4min 59sec and 3rd Richard Chamberlain 1hr 5min 09sec.

1st of the private riders was Alan Williams in 1hr 15min 45sec from London Dynamo.
