

GEOFF AMBLER MEMORIAL 25 TROPHY

The Geoff Ambler 25 trophy is awarded to the winner of an special Club 25 mile time trial event each year.

Presented to the Club by Geoff's parents in memory of their son who was fatally injured in a road accident in 1961. Geoff, one of three brothers, joined the Club in 1957 and his enthusiasm and talent for racing, touring and hostelling soon made him a popular member. In 1959/60 he won the Junior TT championship and also the David cup. It was whilst returning on his motor cycle from a club social at Lowsenford that he met his untimely death. Both his parents became club supporters but they died a few years later. The trophy is awarded to the winner of an annual Club 25 mile time trial.
