Here is the Training -10 result David Watson came out of his shell and produced a brilliant ride of (22:19)more normal times for this course and the windy conditions came from Richard Howes (24:05) and David Boughton (24:07), after the other 24's,25's and 26 rides there was a crop of 27's and 28's, it was yet another tough ride for all.

The revised handicap placings because roger got Simons handicap time wrong, my apologies.

Looking forward to the Diana Cooke on saturday, all the best.
