

Hi All

Yet another very wet evening. This is the 3rd Coventry Road club evening time trial that has had to be cancelled because of the weather.

The officials Sheila, Roger, Garry, Jean Bayliss, David Hughes, one rider Peter Key, Joe Anderson spectator all turned out in the hope conditions would be better out at Magna Park and Wolvey, we were disappointed.

Here's looking for a better evening next week on the Princethorpe circuit.

Roger Gillitt
