

Hi All. The night was a lovely warm evening, a heavy breeze was blowing against the riders as they shot from the time keeper to the A45 turn, the wind was then in the riders favour and made it an easy ride back to the finish time keeper. Steve Falk who does not claim to be a Time Trialist put in the winning time for club members with 22m 12sec followed by Dave Boughton's 22m 31sec. The fastest time of the night was from a private entry from Rugby Racing Club, James Heaton with a 20m 28sec making it his second 20 minute ride of the week.
Garry Hooper Racing Sec Cov Road Club.
