

Hi All

Best evening of the year for the CRC , fine weather wit a NW breeze assisting up the BUll and Butcher on the Princethorpe course.

David Watson(21:20) won the Jack Rowley trophy by 42 secs from Darren Atkins (22:02). he was 40 sec's quicker than Terry Meechan (22:42).

Martin Swales(22:52) did his ride of the year to take 4th. place and come top of the handicap points plaque with 42 pts. His nearest rival David Boughton with 33pts.was unable to ride because of his entry going astray and the clubs racing rules not allowing him to ride. 3rd place in the points competition being Richard Howes (32pts.) he too did not ride as it was his sons birthday. Top of the 8 private entries was Tony Ball (21:34).

All the Best Roger Gillitt
