

Hi All After a day that had been undecided what to do with itself, it ended up giving us a chilly but dry night and according to the times, a night that the riders were pleased about. Although only 2 Club members got under 23 minutes, these being Mark Burnham who seems to be getting his form back with a 22m23s and Richard Howes 22m 25s 3rd Terry Meechan managed a 23m08s. The only other under 23m ride was Mike Wheeler with 22m41s. Twenty one riders turned out to ride the event and a had chit chat and a cup of tea and cakes afterwards.
