

Hi All

On an evening which on the face of it looked like a lovely sunny evening the riders faced a cold wind, which made the riders feel like it was a hard ride all around the course. The fastest on actual and Handicap time was Dave Watson with an 1h08min ride, which on the night was without a doubt a brilliant ride. 2nd Richard Howes 1h 11m50s and getting his form back Mark Burnham with 1h12m05s. On handicap 1st was Dave Watson 2nd Mark Burnham 1h08m07s and 3rd Dave Boughton 1h8m28s. Mike Wheeler was top private entry with 1h15m10s. Cakes. A nice cup of tea brought the night to nice social end.
