

Hi All

Yet another wet TT for the Coventry RC's Geoff Ambler 25. With David Watson going off course as Richard Howes did on the previous 25. Richard came 2nd with 59:40 while David Boughton did an excellent 59:12 to win the Geoff Ambler Trophy and take top points in the handicap plaque, being equal on points with Martin Swales who was 3rd on actual time with 1:00:54. We are looking forward to better conditions for our open 25(WH Bricknell) on Saturday 21<sup>st</sup> July 2007 on the same course.

All the best Roger Gillitt
