

Even with the conditions the same as last week with a head wind at the start and also back from Stoneleigh Hill to the finish, some of the riders managed to improve their times.

Dave Watson was 1st with a time of 13min 51sec, 2nd was Richard Howes with 14min 58sec and 3rd Martyn Brunt 15min39sec. Winner in the private entries was Matt Clinton with 13min 34sec.

Though this was the last of the evening Time Trials, there are still two club hill climbs to go. The first is Burton Dassett on the 27th September followed by Mastoke on the 18th October. Hope to see you there.
