

After the weather we have been having it turned out to a perfect time trial evening, reasonably warm with hardly any wind. 29 riders took to the time keeper although 5 of these were riders that wanted to ride the event twice.

With only 3 riders getting under 13 minutes, 1st was Dave Watson with 12min 04sec, 2nd Richard Howes in 12min 08 sec and 3rd Martin Swales with 12min 55sec.
