

With a westerly wind blowing into the faces of the riders as they left the start time keeper it made a hard ride to the turn. From there the ride got a little easier (for some).

Dave Watson 1st with 21:10, 2nd Glen Tearle 23:48 and 3rd Martyn Brunt 23:49.

Marc Lee being 1st of the private rides with 24:38.

A bit of bad luck for Richard Howes who hit a hole and punctured and was unable to finish.
