

A nice calm night gave the rider a pleasant ride, just the hills made life a little tiring.

Dave Watson was 1st with 28min 48sec, 2nd Richard Chamberlain in 30min 46sec and 3rd Richard Howes 30min 51sec.

A bouquet of flowers was presented to Jean Bayliss who has been time keeping for many years at World, National and local levels and who is moving down to Dorset to be near both daughters Sue and Jacki. We all wish her a happy future.
