

Coventry Road Club TT Report

Date – 17/05/2012

Course – K10/10

A cold chilly night greeted the riders but at least it did not rain, with an easterly cross wind blowing it made it hard work for the riders from the start, with a hard slog upto the A45 but there after the riders claimed it was an easier ride. Dave Watson was first with 21min32sec 2nd Richard Howes 22m 11sec and 3rd Richard Chamberlain with a course PB at 22m 25sec. 1st lady was Libby McLaren 28m 14sec and 1st of the private riders Stewart Hopkins 23m05sec
With the night being so cold it was fitting to finish with a nice hot cup of tea and slice of cake.
