Date – 21/06/2012

Course – K10/10 Training 10 No 7

A dull night saw the riders start in dry conditions but just as the last of the riders was approaching the finish it started to rain. Just as well it did because John Grumbly wanted his entry fee back if it did not rain as it just wouldn't of felt right. Winner was Richard Howes with 22min31sec, 2nd Peter Key 24min32 sec and 3rd John Grumbly 25min08sec. Fastest of the private riders was Cath Fenn with 25min51sec.
