

Coventry Road Club TT Report

Date – 05/07/2012

Course – K12/11.5 Princethorpe circuit x1

The lads and lasses had a really good night regarding the weather, sunny for the most part with no wind or rain and I didn't even charge them any extra.

1st was Richard Howes with 28min04sec, 2nd Richard Chamberlian 28m31sec and 3rd Glen Tearle 29m30sec. Richard Howes now leads the points series with a total of 28 points with Dave Watson second on 20 points. With only two more of this years points series remaining everything is set for an exciting finish!
