

Coventry Road Club TT Report

Date – 19/07/2012

Course – K10/10 Training 10 No.9

We were lucky to have a dry night until the time trial was over and then the weather decided to change to drizzle causing the lads that had rode out to the event to get wet. There was also a stiff breeze blowing which resulted in times that were a bit slower than usual.

First was Dave Watson with 21min 43sec, 2nd Richard Chamberlain 22m 13sec and 3rd Peter Delves 23m50sec

Guest Rider Gez Taylor 22m 52sec was the fastest of the private riders.
