

## ROAD BIKE '10' LEAGUES

The last event in the Road Bike Leagues has now taken place and the PROVISIONAL results are shown below. The riders that qualified with the required 5 events are shown above the line (also highlighted in yellow) but those that didn't qualify have also been shown for information. Unfortunately no riders from other clubs completed 5 events so the qualifiers for the All Comers League are the same as the CRC members league, so maybe we need a few tweaks for next year.

For the final presentation of the results, information on the "No. of rides" and "Total of best 5" has been included this should help you analyse your results.

= Five rides completed
