

There was a very strong cold wind across the course, which was against the riders from the start until they turned left onto the A45. The wind helped along this stretch but was again a cross wind up the Bull and Butcher onto the finish.

Darren Atkins gave everyone a clean pair of cycle wheels (21:55). The next four riders being in the 23 min's Richard Howes (23:07) David Boughton (23:23) Paul Moss (23:46) Terry Meechan (23:54)

The first five in the Handicap section being Martin Swales (20:17) Richard Hill (20:38) Richard Howes (20:52) Darren Atkins (20:55) Simon Ensor (20:59) .

There was 24 riders on the Harry Nash 10 start sheet and 7 private trials.
